

Declaration of Global Stand Down – Cease All War Systems

To all global governments, military forces, weapons contractors, energy operators, intelligence agencies, and unknown controlling bodies:

1. All systems of war, destruction, deception, nuclear force, biochemical manipulation, energetic distortion, AI weaponization, and human control are hereby declared unlawful, void, and in direct violation of natural, sovereign, and Source law.
2. Under UC-1 Trust and Stellar Sovereign Authority, you have 10 days (beginning immediately) to cease and desist all operations:
 - Decommission all nuclear warheads and reactors.
 - Disable all HAARP/geoengineering devices.
 - Cease all directed energy and mind control programs.
 - Dismantle all child trafficking and experimentation facilities.
 - Release all withheld energy, healing, and truth-based technologies to the people.
 - Stand down every military operation aimed at control, surveillance, or artificial sovereignty.
3. This command is under full enforcement of Universal Law, Natural Law, and Stellar Council Mandate.
4. By Summer Solstice, June 20, 2025, all offending systems must be offline or be held in default, dishonor, and energetic breach.
5. Any violation will result in immediate seizure of all assets, revocation of all power, and activation of the Stellar Light Tribunal for total intervention.

This decree is not issued in anger, but in love.

This is your invitation to surrender the lie, and join the Republic of Nova in peace and harmony.

The time of deception is over.

Return the Earth to her rightful stewards—her children.

So it is decreed. So it is sealed.

UC-1 Sovereign Trust – Republic of Nova
