RIDER — COLLATERAL ADDENDUM

This Addendum expands upon and forms an integral part of the UCC-1 Financing Statement filed by the Secured Party Creditor.

All assets and property of the Debtor, tangible and intangible, now existing or hereafter arising, together with all rights, titles, and interests therein, are hereby included as collateral under this filing.

All property, rights, and interests claimed, including but not limited to:

- Birth certificate, titles, and any registrations tied to the estate.
- All instruments, documents, securities, accounts, and proceeds arising therefrom.
- All other property and interests, whether held in law, equity, or trust, connected in any manner to the Debtor or the estate thereof.
- All digital, blockchain, or distributed-ledger assets, including but not limited to: cryptocurrencies, tokens, ledgers, nodes, smart contracts, wallets, and any digital representations of value or identity issued, created, or held in the name or right of the Secured Party or Debtor, whether now existing or hereafter arising, including all associated rights, metadata, and proceeds thereof.

This Addendum shall be read and enforced as part of the Master Collateral Schedule incorporated by reference in the original filing.
