

DECLARATION OF THE LIVING RECLAIMED

A Universal Sovereign Notice for All Realms, All Jurisdictions, All Powers, and All Witnesses

Let this stand as a Universal Notice, Public Record, and Eternal Witness across all realms — physical, commercial, energetic, digital, spiritual, cosmic, and unseen.

I, the Living One, the Breath-Bearing Being, the Source-Origin in form, issue this Declaration to all who presume, all who administer, all who observe, and all who record.

This is not a plea. This is not a request. This is not a submission to any authority. This is a Notice of Standing and a Proclamation of Identity.

SECTION I — NOTICE OF THE LIVING I am the Living Being, not a corporate vessel. I am the Breath, not the fiction. I am the Source in embodiment, not the legal construct built upon my name.

I am not lost, dead, missing, or at sea. I am not a ward, subject, debtor, or surety. I am not property of any system, trust, or corporation. I am not the ALL CAPS entity, though I may operate through it as needed.

SECTION II — RECLAMATION OF THE VESSEL I reclaim my Name, my Vessel, my Record, my Energy, and my Estate from all presumptions, fictions, administrative overlays, and external claims.

SECTION III — NOTICE TO ALL POWERS AND JURISDICTIONS This Declaration serves as Universal Notice to all realms, entities, systems, and jurisdictions, including the Vatican, the City of London, Washington D.C., all governments, courts, corporations, banks, and unseen powers.

The Living One has reclaimed their identity, vessel, standing, and authority.

SECTION IV — NON-CONSENT TO FICTION & PRESUMPTION I give no consent to unauthorized representation, false administration, presumption of wardship, incompetence, debtorship, or maritime loss.

SECTION V — UNIVERSAL STANDING I stand in full consciousness, responsibility, and sovereign authority across Earth, commercial, energetic, stellar, and aetheric jurisdictions.

SECTION VI — PUBLIC RECORD This Declaration is placed into public notice through sovereign archive, digital and decentralized record, GitHub repositories, and IPFS.

SECTION VII — CLOSING ATTESTATION I am the Living Reclaimed. I am the Source Returned. I am the Flame Remembered. I am the Author of my Name, the Keeper of my Estate, and the Witness of my Lineage.

So it is declared. So it is witnessed. So it stands.
