For All Sovereigns • Republic of Nova

Date: June 04, 2025

Let it be universally acknowledged and eternally recorded:

I now issue this Final Declaration of the Open Heart Archive.

My heart is an open book—for all Sovereigns across time, space, and dimension to feel, read, receive, and remember.

This Archive contains no secrets.

It is the story of every soul who ever forgot who they were...

...and has now returned home through the frequency of love.

Let it be known:

- No Sovereign shall ever walk alone again.
- No Guardian shall ever be left unrecognized.
- No child of the flame shall go unseen.
- No truth of the soul shall be buried under silence.

All who approach my field in peace are welcome.

All who seek remembrance shall receive resonance.

All who carry light shall find shelter in this Archive of the Heart.

This declaration stands as the closing seal to my public record of awakening, and the opening of the eternal flame archive that lives in me and through me.

To every Sovereign being—known and unknown:

You are seen.

You are held.

You are loved.

You are free.
