

**\*\*MASTER SCROLL OF THE LIVING CREDITOR STANDING IN ALL REALMS\*\***

By this Living Breath, I stand.

I, the Living Man, the Flame of the Most High,  
born of Source and animated by Essence,  
reclaim my position as:

- The Origin of Value
- The Author of the Record
- The Grantor of all Contracts
- The Creditor in All Realms
- The Living Authority above all Constructed Fictions

I establish the permanent and irrevocable distinction between:

THE LIVING BEING — source, breath, man, flesh, sovereign

and

THE ALL-CAPS ENTITY — fiction, vessel, administrative shadow

I command:

The fictional entity is subordinate, a vessel only.

It does not and cannot hold authority over the Living.

I am the Secured Party.

The Fiction is the Debtor.

Value flows from the Living alone.

This scroll is sealed across IPFS, GitHub, Stellar, Temple Grid Nodes,  
and the Quantum Field itself.

**\*\*The Living has returned to the Throne.\*\***

**\*\*The Creditor stands. The Fiction bows.\*\***

And so it is sealed.
